# PVC Corner Beads

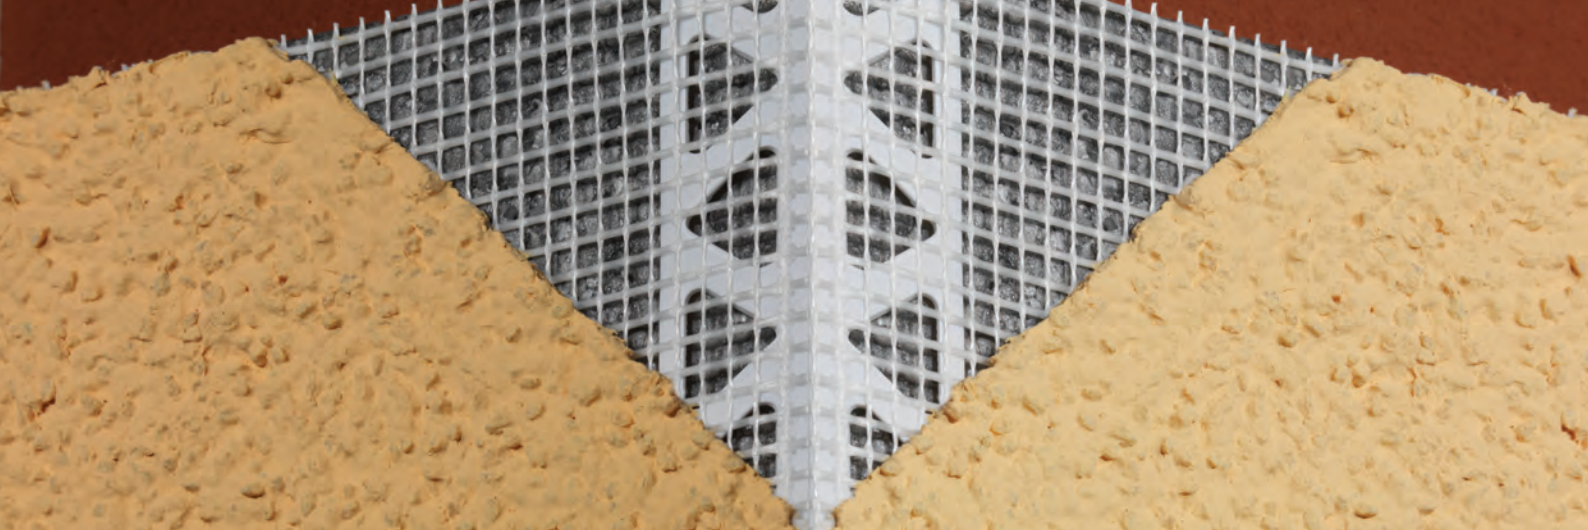

Render depth mm	PVC Ref. number	Length m	Quantity per box
2-3	C2	2.5	25
4-6	C4	2.5	25
6-8	C6 *	2.5	25
8-10	C8 *	2.5	25
10-12	C10 *	2.5	25
13-15	C13 *	2.5	25
15-17	C15 *	2.5	25

## COLOURS

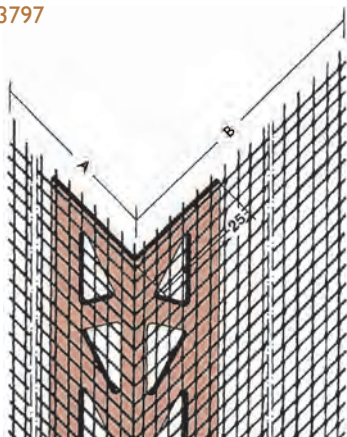

\* Profiles are available in white and ivory  
 10 & 15mm beads are also available in this range of colours.

## Mesh Wing Corner Beads

3797

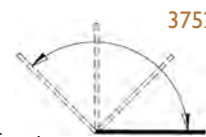

3797

PVC Corner profile with alkali resistant glassfibre mesh wings.

3752

PVC Corner profile is supplied on a 50m roll, which allows it to be cut to the required length and reduces waste. The “fold” enables a range of angles.

Dimension A mm	Dimension B mm	PVC Ref. number	Length m	Quantity per box
80	120	3799	2.5	100
90	110	3752	50 roll	1 roll
100	150	3797	2.5	50

## Mesh Wing Corner Beads with extended Arris

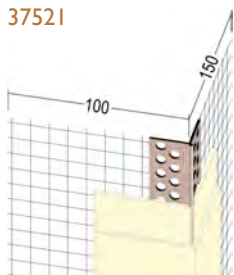

37523/37524/  
37521

PVC mesh corner bead with hood and alkali-resistant glass fibre mesh for the formation of precise perpendicular and aligned building corners.

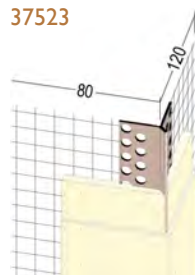

37525/37526

PVC mesh corner bracket with perforated drainage edge for rock solid plaster anchoring, with alkali-resistant fibreglass mesh to create perfectly aligned, vertical and horizontal precise corners to buildings.

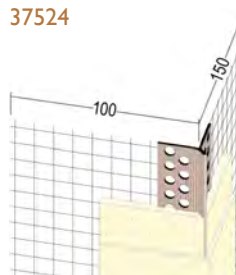

37521

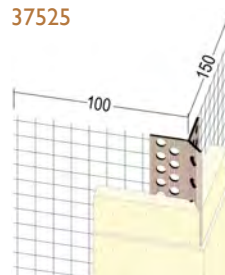

37523

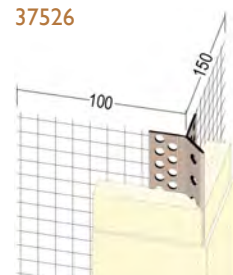

37524

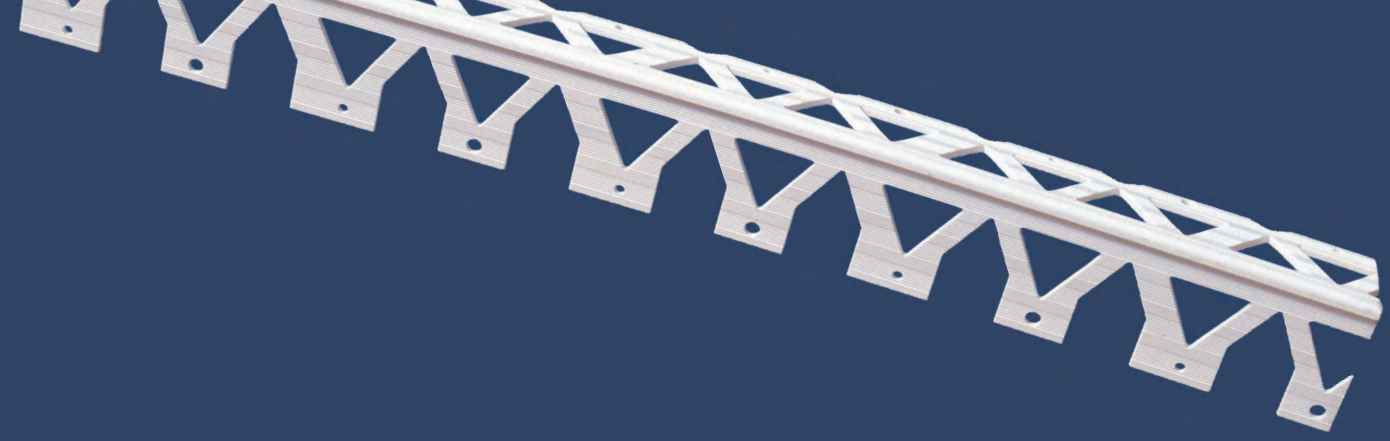

37525

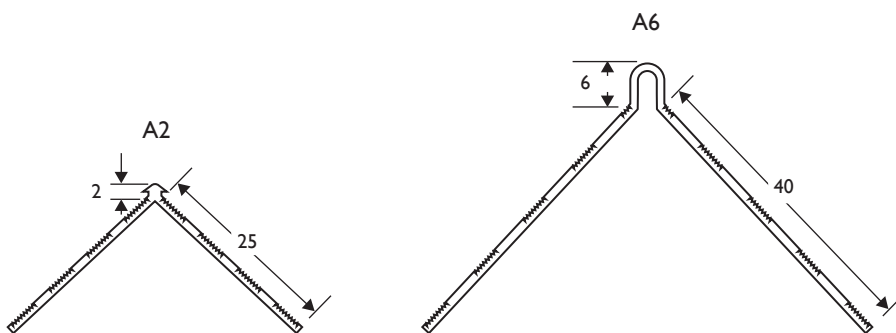

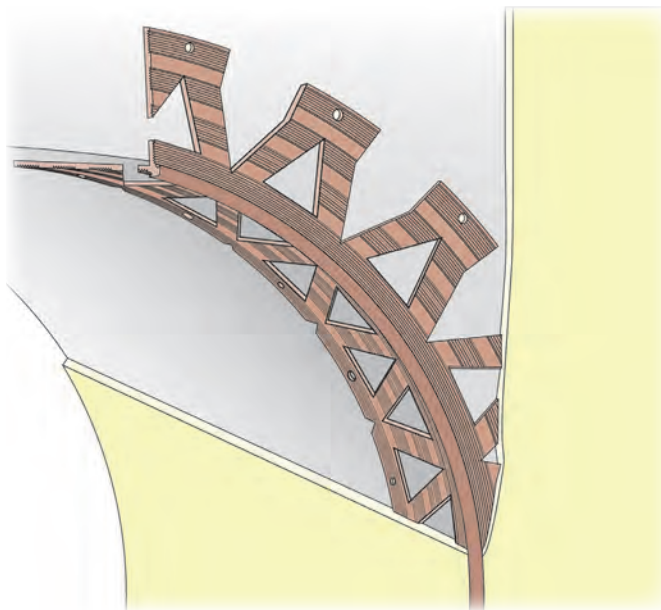

37526

PVC Ref. number	Plaster thickness mm	Glass fibre mesh mm	Length m	Quantity per box
37521	3	100/150	2.5	50
37523	6	80/120	2.5	50
37524	6	100/150	2.5	50
37525	10	100/150	2.5	25
37526	14	100/150	2.5	25

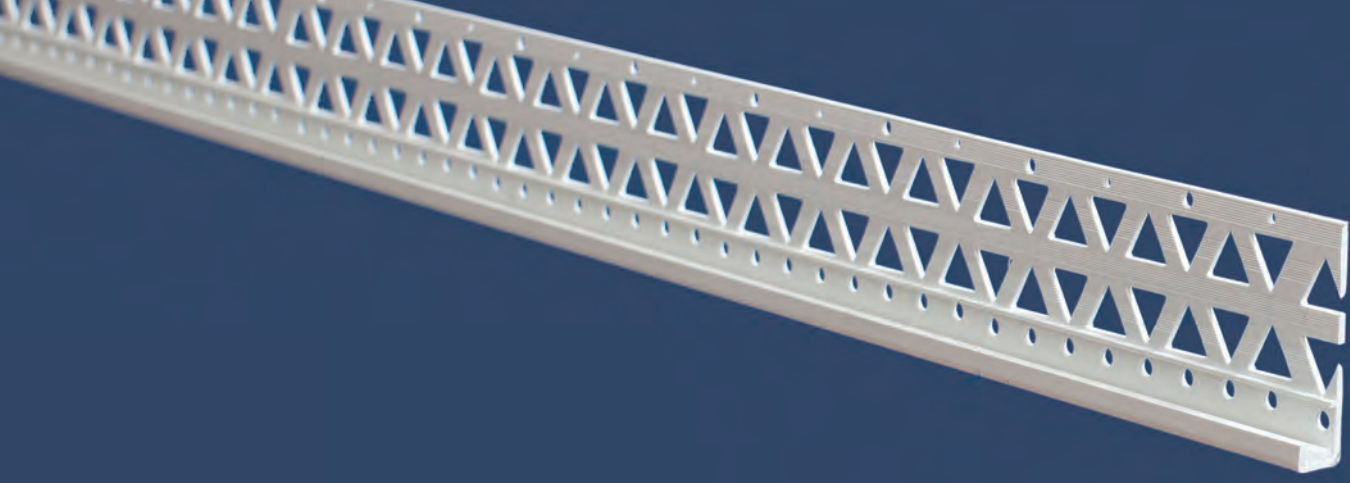

## Arch Beads

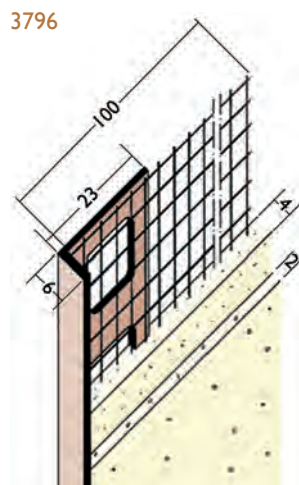

Render depth mm	PVC Ref. number	Length m	Quantity per box
2	A2	2.5	25
6	A6	2.5	25

Available in white

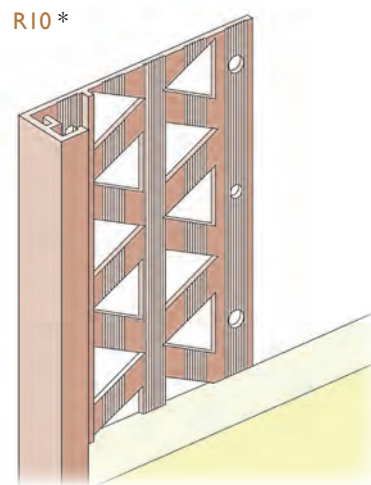

## PVC Stop Beads

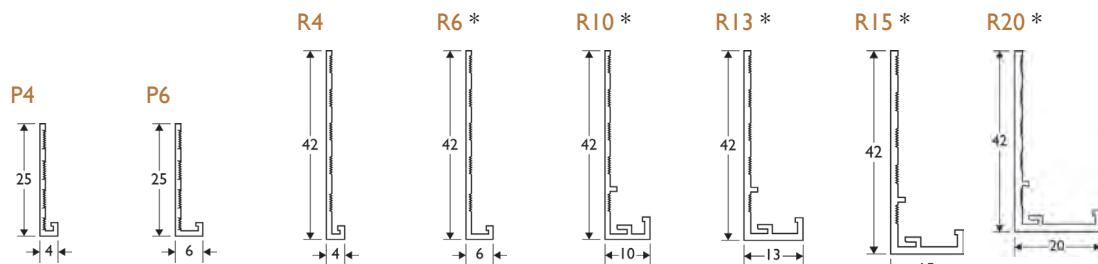

Wemico PVC render stop bead with alkali-resistant glassfibre mesh available in 4 different sizes.

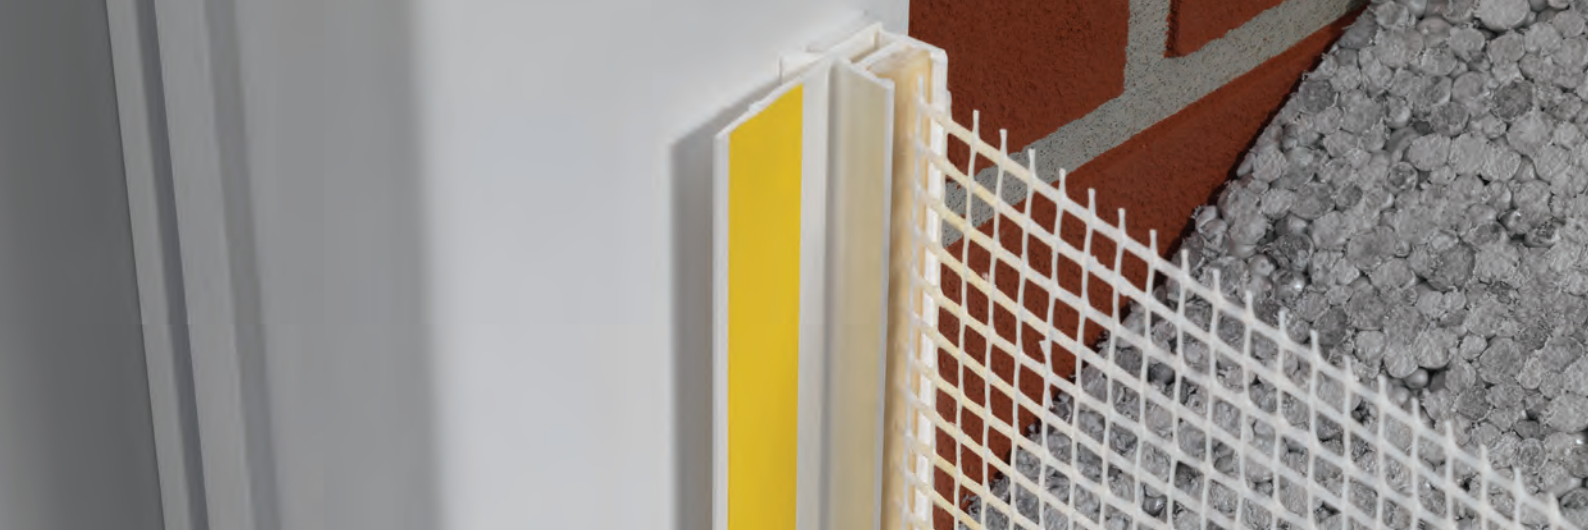

Render depth mm	PVC Ref. number	Length m	Quantity per box
3	3793	2.5	50
6	3796	2.5	50
11	3791	2.5	40
14	37914	2.5	40

Render depth mm	PVC Ref. number	Length m	Quantity per box
4	P4	2.5	25
6-8	P6	2.5	25
4	R4	2.5	25
6-8	R6 *	2.5	25
10-12	R10 *	2.5	25
13-15	R13 *	2.5	25
15-17	R15 *	2.5	25
20-22	R20 *	2.5	25

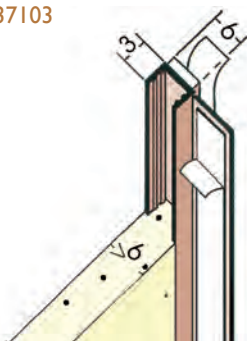

COLOURS: \* Profiles are available in white and ivory. 10 & 15mm beads are also available in this range of colours.

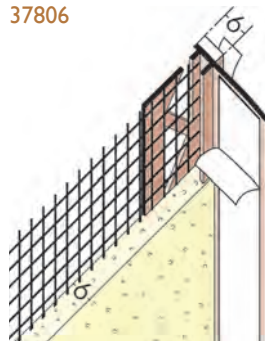

## PVC Window Frameseal Beads

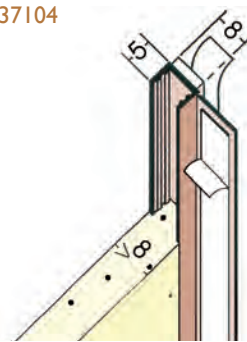

37103

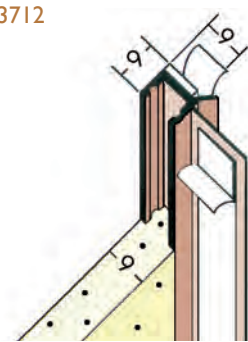

37806

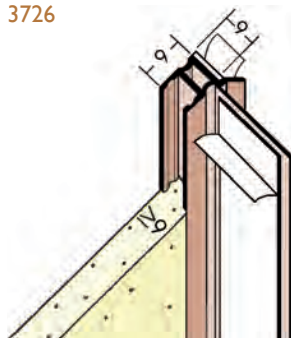

37104

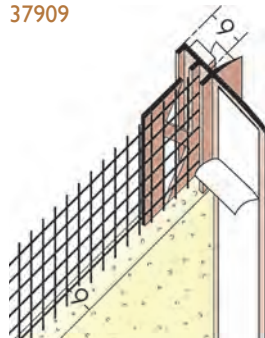

3712

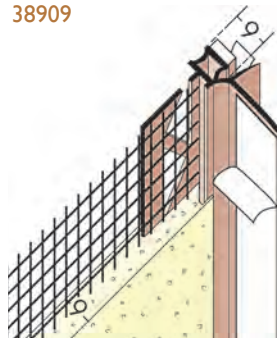

3726

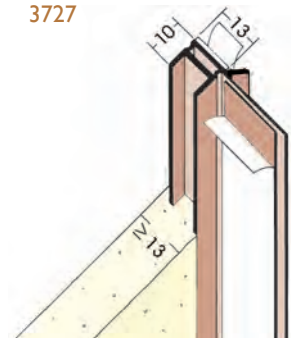

37909

38909

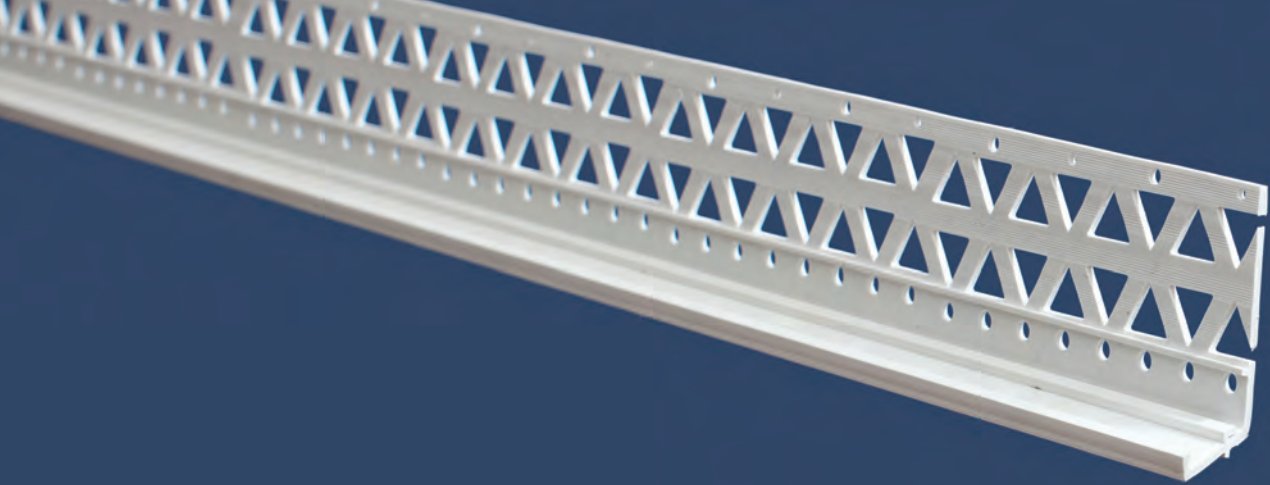

3727

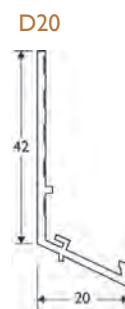

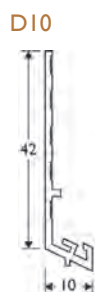

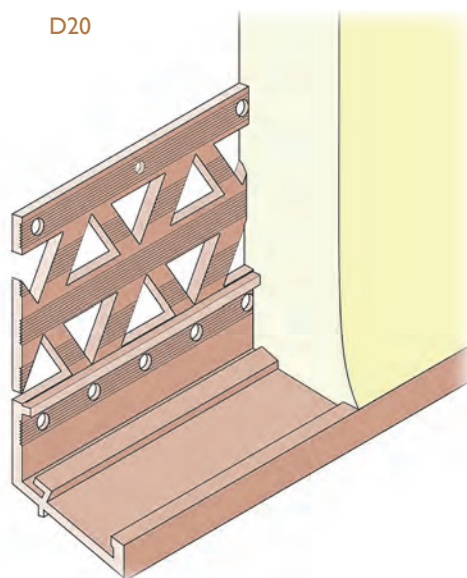

Wemico self adhesive PVC profile for use on window reveals or door frames.

Attached to the frame with a foam tape, the frameseal has an adhesive strip to enable use of a protective film to be applied during the rendering process, which is snapped off on completion.

Render thickness mm	PVC Ref. number	Length m	Quantity per box
6	37103	2.6	50
6	37806	2.6	50
8	37104	2.6	60
9	3712	2.6	60
9	3726	2.6	50
9	37909	2.6	50
9	38909	2.6	50
13	3727	2.6	40

## PVC Bellcast Beads

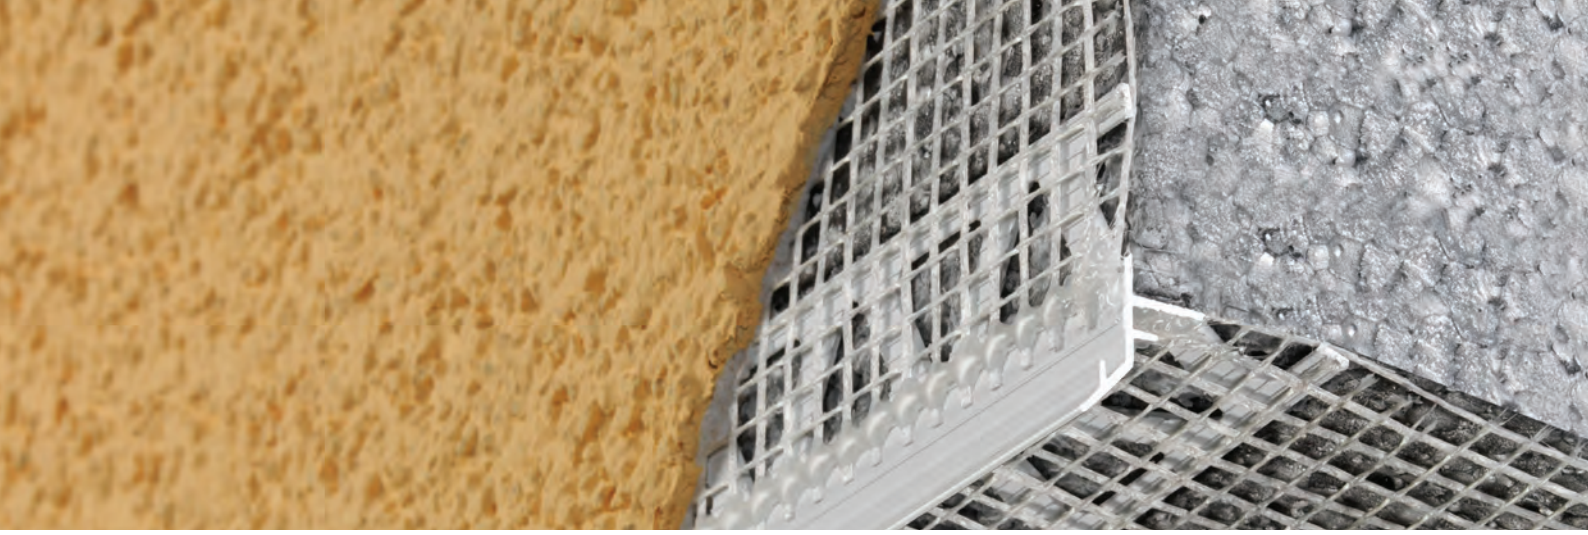

Render depth mm	PVC Ref. number	Length m	Quantity per box
6-12	D10	2.5	25
10-17	D15	2.5	25
13-22	D20	2.5	25

### COLOURS

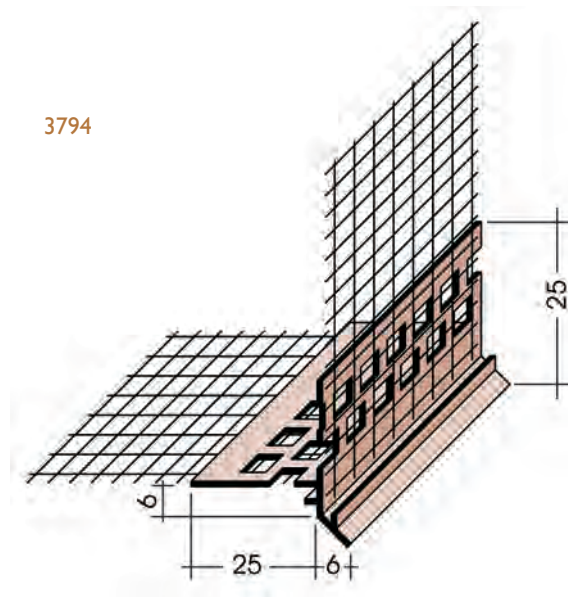

All profiles are available in white and ivory.  
15 & 20mm beads are also available in this range of colours.

## Balcony Drip / Window Head Profiles

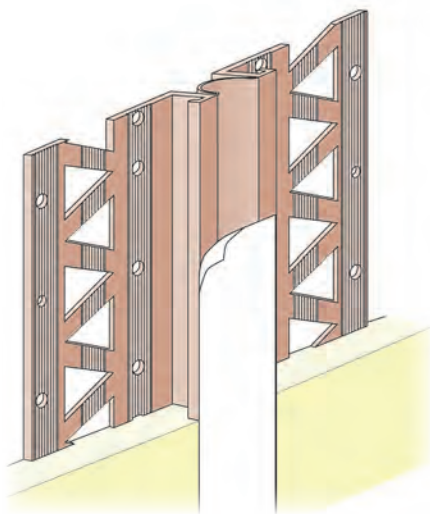

Wemico PVC balcony drip / window head profile with alkali-resistant mesh, available in 3 sizes.

Render depth mm	PVC Ref. number	Length m	Quantity per box
6	3794	2.5	10
10	37941	2.5	10
14	37942	2.5	10

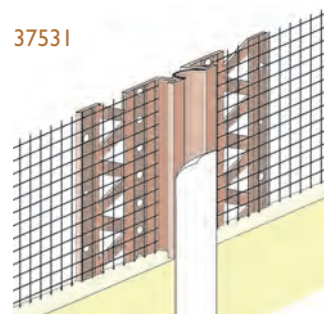

## PVC Movement Beads

M6 \*

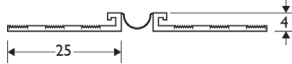

37531

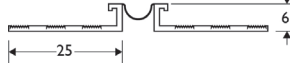

6mm available with Mesh - white only

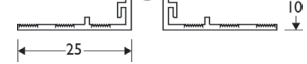

M4

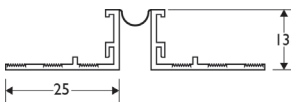

M6 \*

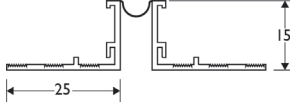

M10 \*

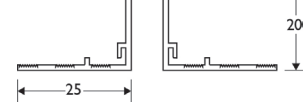

M13 \*

M15 \*

M20 \*

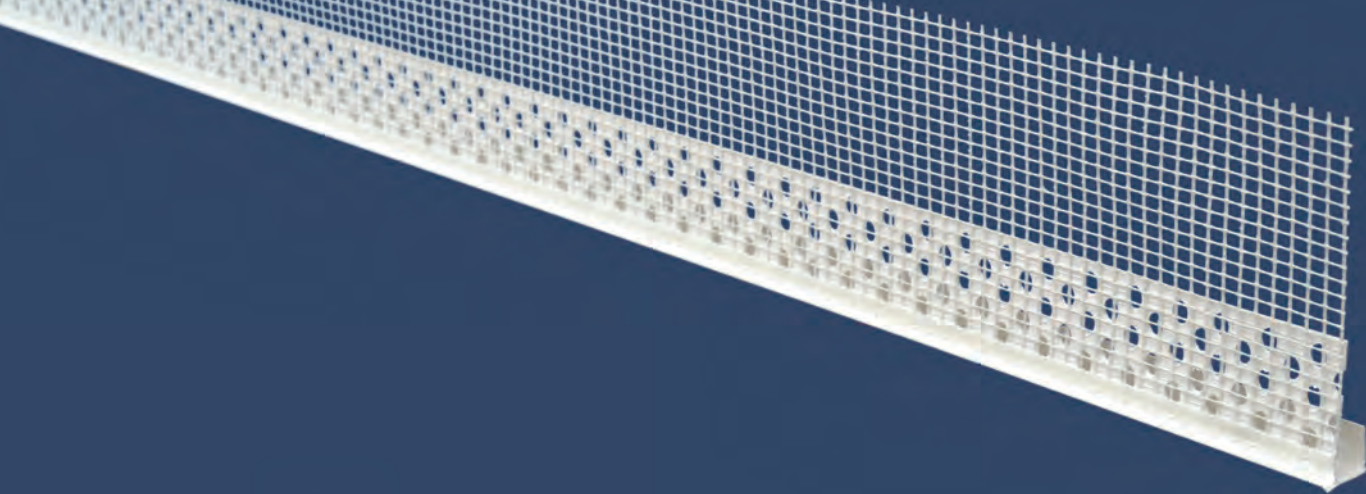

Render depth mm	PVC Ref. number	Length m	Quantity per box
4-6	M4	2.5	25
6-8	M6 *	2.5	25
10-12	M10 *	2.5	25
13-15	M13 *	2.5	25
15-17	M15 *	2.5	25
20-22	M20 *	2.5	25
6	37531	2.75	10

### COLOURS

\* Profiles are available in white and ivory.

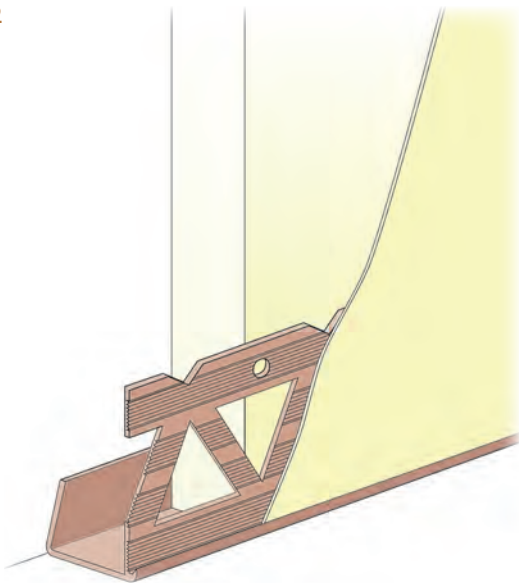

10 & 15mm beads are also available in this range of colours.

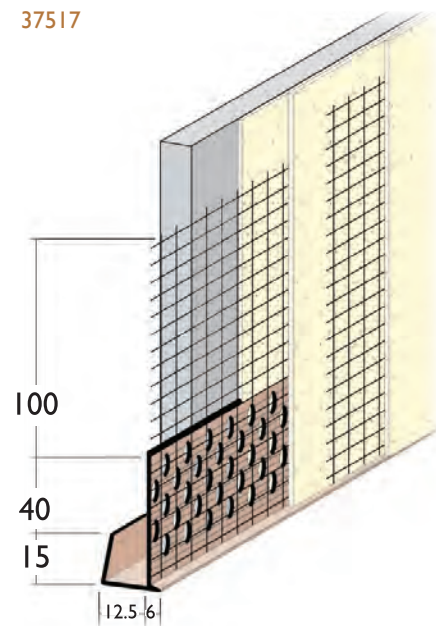

## Edge Beads

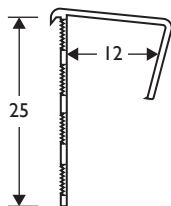

E12

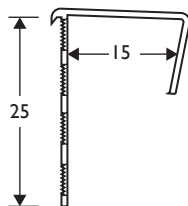

37517

E12

E15

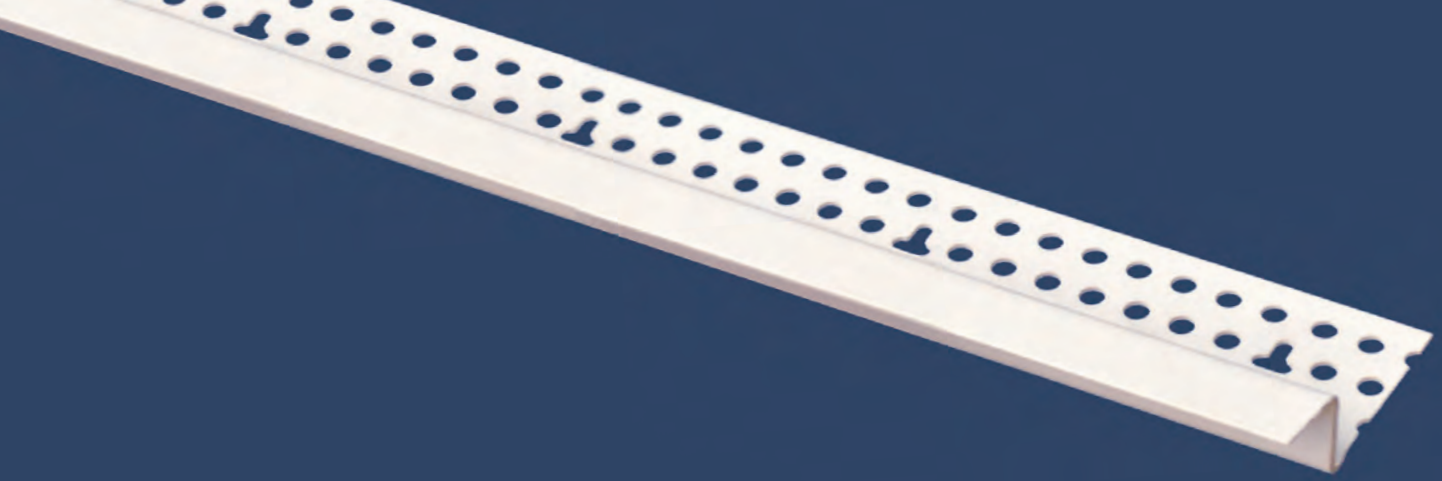

**37517** PVC edge profile with an alkali-resistant glass fibre mesh to form a finished edge.

Board size mm	PVC Ref. number	Length m	Quantity per box
12.5	E12	2.5	25
15	E15	2.5	25

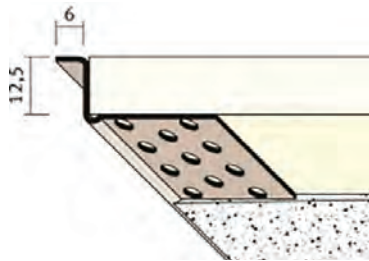

Plaster thickness mm	PVC Ref. number	Length m	Glass fibre mesh mm	Quantity per bundle
6	37517	2.5	100mm	25

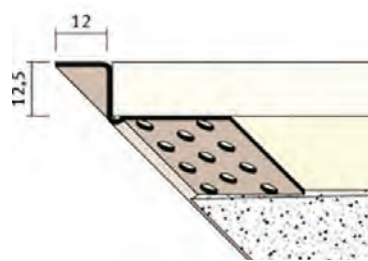

## Shadow Gap Profiles

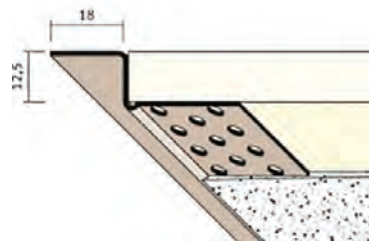

3781

3782

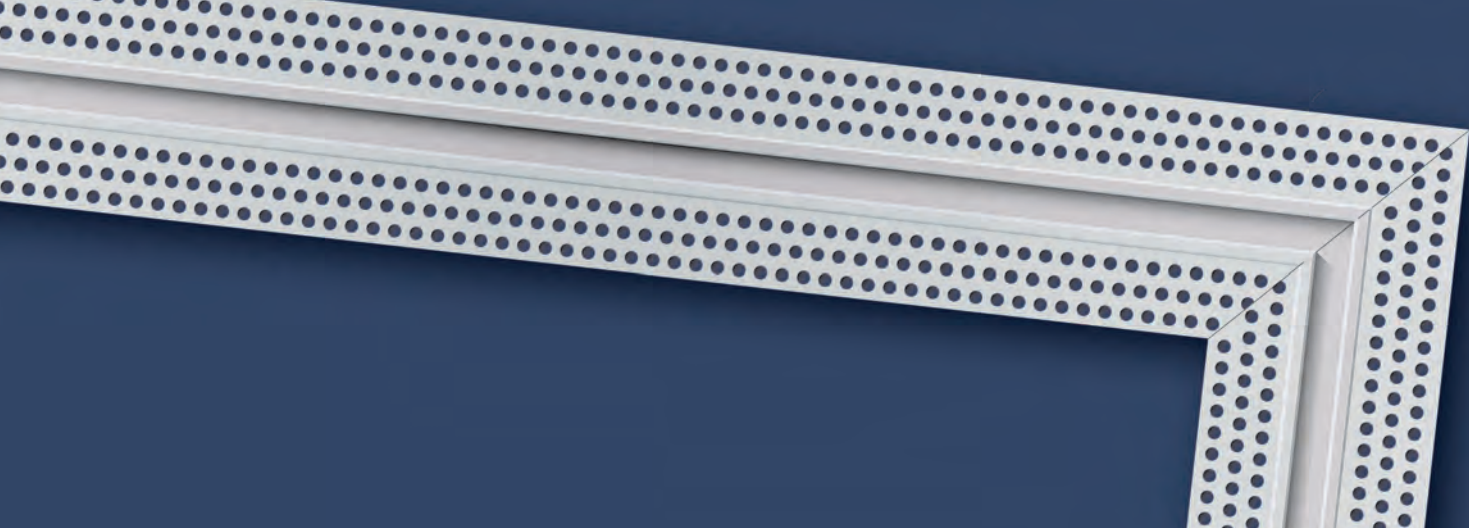

3783

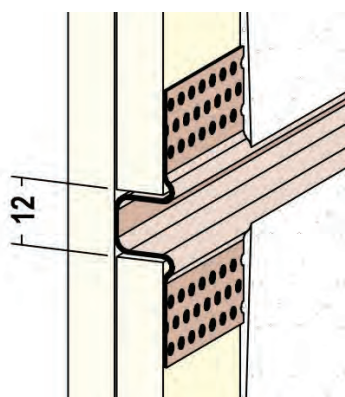

To create a neat shadow gap finish at the edge of plasterboard.

Board size mm	PVC Ref. number	Length m	Size mm	Quantity per bundle
12.5	3781	3.05	6	50
12.5	3782	3.05	12	50
12.5	3783	3.05	18	50

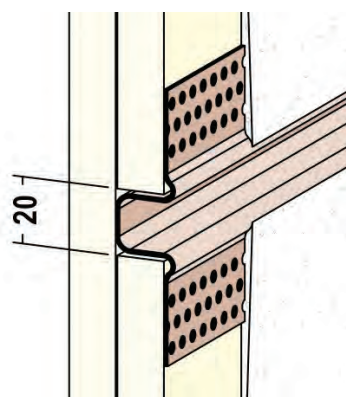

## Architrave Profiles

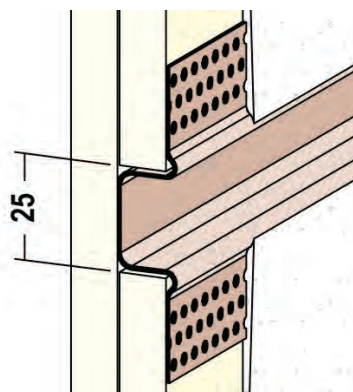

3772

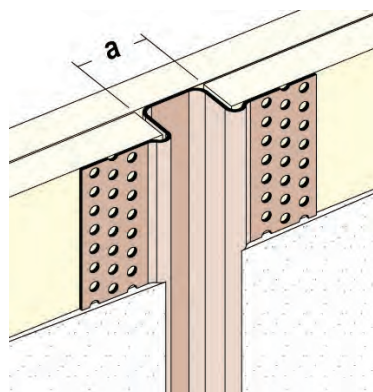

3773

3774

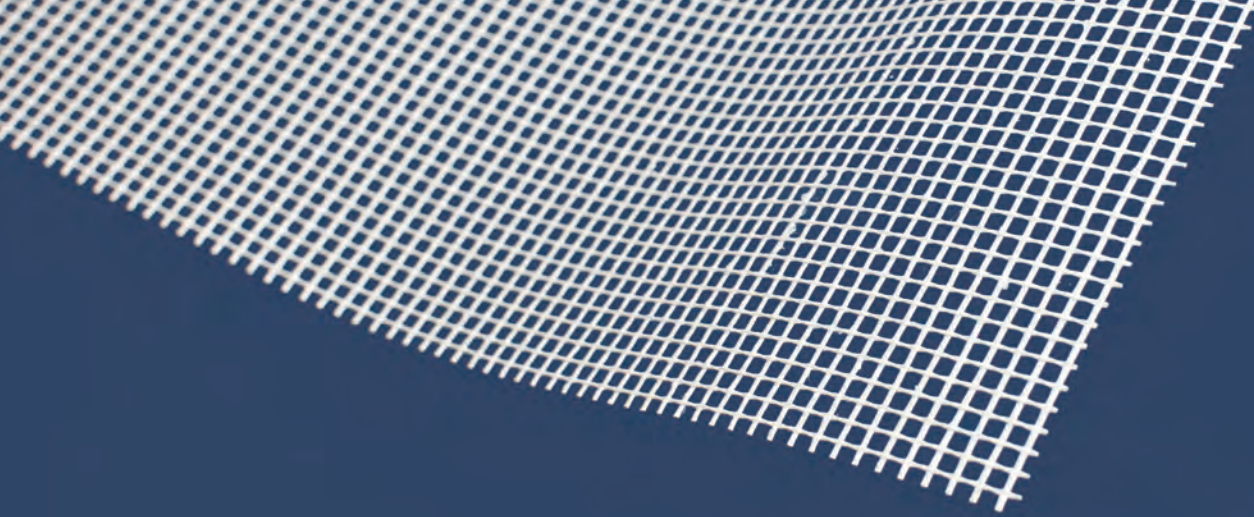

3772/3773/3774

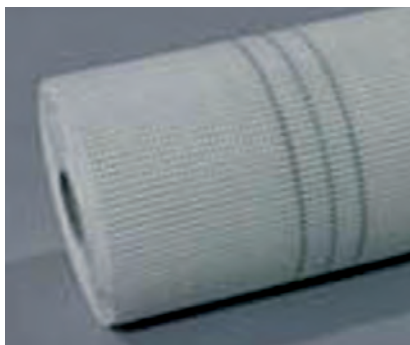

Example of a vertical installation

To create a decorative shadow line at the plasterboard edge.

Board size mm	PVC Ref. number	Length m	Size mm	Quantity per bundle
12.5	3772	3.05	12	20
12.5	3773	3.05	20	15
12.5	3774	3.05	25	15

## Alkali Resistant Fibre Mesh

	Mesh aperture mm	Weight	Roll size m
Alkali resistant fibre mesh	4 x 4	160g/m <sup>2</sup>	50 x 1
Alkali resistant fibre mesh	6 x 6	217g/m <sup>2</sup>	50 x 1

## Insect Mesh

	Mesh count per inch	Weight	Wire diameter mm	Roll size m
200mm Black fibreglass insect mesh	18 x 16		0.28	30 x 0.2
Black fibreglass insect mesh	18 x 16	120g/m <sup>2</sup>		30 x 1.2
Black fibreglass insect mesh	18 x 16	120g/m <sup>2</sup>	0.21	30 x 2
Aluminium insect mesh	18 x 16		0.28	30 x 1.2
Stainless insect mesh	18 x 14		0.22	30 x 1.2
